

OFFICESUITE UC®

# Partner Demo Program

OfficeSuite UC is a 100%, cloud-based phone, unified communications and collaboration system that gives businesses a competitive edge by enabling employees to better connect and serve their customers from anywhere, on any device.

The OfficeSuite UC Partner Demo Program offers channel partners an easy and interactive way to demonstrate OfficeSuite UC and OfficeSuite HD Meeting® to their prospective customers, as well as familiarize their sales representatives with the platform, increasing their overall confidence when selling the solution.
