

RESALE PARTNERS

Free Fixed Wireless

Complimentary Dedicated Internet Access Trial

All Windstream Enterprise Resale Partners are eligible for this new and exciting promotion. Our Free Fixed Wireless Internet Access Trial offers both secure connectivity and network diversity, delivering a best-in-class end-user experience.

Dedicated Internet or MPLS—via Fixed Wireless connection—easily supplements an existing network to add scalability and support for traditional and cloud-based business-critical applications.

We currently offer Fixed Wireless in 44 metro markets and the service is backed by our 99.99% network availability guarantee.

Sign up by October 31!

Guidelines:

Order must be placed between September 1, 2019 to October 31, 2019

Service location must qualify for Fixed Wireless Internet Access

Free Trial covers one circuit up to 20 Mbps per Resale Partner

Free Trial includes 6 months of Internet Service via Fixed Wireless per Resale Partner ("Free Trial Period")

Resale Partner must secure approvals for roof rights and risers

At the end of the Free Trial Period, Resale Partner must convert to a minimum 12-month term at standard pricing or may disconnect the service

At the start of the Free Trial, Resale Partner must be up to date with all Windstream invoices

Windstream Enterprise Resale reserves the right to modify the Free Trial at any time to support changing business conditions

Engage with your Windstream Enterprise Resale account team to get started.
